By mutual agreement and understanding, the Arizona Board of Osteopathic Examiners (hereafter "Board") and Shawn Platt, D.O. (hereinafter "Respondent" or "Physician"), the parties, hereto agree to the following:

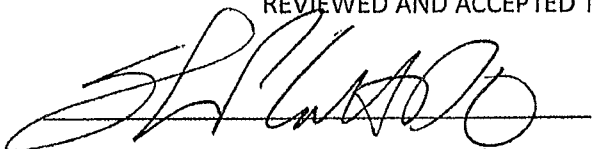

1. Respondent acknowledges that he has read this Consent Agreement and Order; and, Respondent is aware of and understands the content of these documents. Respondent acknowledges that he has the right to consult with legal counsel regarding this matter and has done so or chooses not to do so.

Shawn Platt, D.O., Respondent/Physician

#### **JURISDICTIONAL STATEMENTS**

1. The Board is empowered, pursuant to A.R.S. § 32-1800 et seq., to regulate the practice of osteopathic medicine in the State of Arizona, and the conduct of the persons licensed, registered, or permitted to practice osteopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 3313 issued by the Board for the practice of osteopathic medicine in the State of Arizona.

#### **FINDINGS OF FACT**

3. On September 12, 2012 the Board commenced an investigation, and a chart review of 15 of the Respondent's chronic pain patients. Respondent practices family medicine in an urban area of Tucson, Arizona. At the time, approximately 10% of his practice involved the

treatment of patients with chronic pain. Many of these patients were treated with opioids and narcotics.

4. The chart reviews performed by the Board found that while some of the patients had records from prior providers, underwent urine toxicology screening, had their prescriptions checked with the Arizona Pharmacy Data Program, were referred to specialists, and had Pain Contracts, the reviews also found that there were instances where prior records were not obtained, referrals were not made to orthopedic or pain management specialists, Pain Contracts were not signed, and large amounts of opioids were prescribed. The review also found that the Respondent failed to take appropriate action in some cases when patient's drug screen results were inconsistent with reported medications.

#### **CONCLUSIONS OF LAW**

5. The conduct described above constitutes unprofessional conduct and is a violation of A.R.S. § 32-1854 (6), which states "Engaging in the practice of medicine in a manner that harms or may harm a patient or that the board determines falls below the community standard."

6. The conduct described above is also a violation of unprofessional conduct pursuant to A.R.S. § 32-1854 (38), which states "Any conduct or practice that endangers the public's health or may reasonably be expected to do so."

#### **ORDER**

Pursuant to the authority vested in the Board,

**IT IS HEREBY ORDERED** that Shawn Platt, D.O., holder of osteopathic medical License number 3313, is issued a Decree of Censure.

**IT IS HEREBY FURTHER ORDERED** that Shawn Platt, D.O., holder of osteopathic medical license number 3313, is placed on **PROBATION for a period of one (1) year** from the effective date of this Order, with the following terms:

1. Respondent shall be restricted from providing pain management care to chronic pain patients which results in prescribing opioid medications, Class 2, 3, 4, or 5, or medical marijuana certifications.

2. Respondent shall undergo a practice assessment in the area of pain management.

3. Respondent shall obtain twenty-nine (29) in person Continuing Medical Education (CME) credit hours in the area of physician prescribing. The CME hours must be approved by the Board's Executive Director, and shall be in addition to the hours required for biennial renewal of his osteopathic medical license.

4. **Compliance with Order:** Prior to and in anticipation of this Order by the Board, Dr. Platt, in good faith, has completed the practice assessment and CME hours.

5. **Costs:** Respondent shall bear all costs incurred regarding compliance with this Order.

6. **Obey All Laws:** Respondent shall obey all federal, state and local laws, and all rules governing the practice of medicine in the State of Arizona.

7. **Failure to Comply / Violation:** Respondent's failure to comply with the requirements of this Order shall constitute an allegation of unprofessional conduct as defined at A.R.S. § 32-1854(25) and proven violations may be grounds for further disciplinary action (e.g., suspension or revocation of license).
